

Dear Friends,

The students and staff of Resurrection Catholic School continue to celebrate our 25th anniversary to mark the historic consolidation in 1991-92 of St. Joseph, St. Mary and St. Anthony schools.

Resurrection's history goes back much farther than 25 years if you consider St. Joseph's opened in 1852, St. Mary's in 1872 and St. Anthony's in 1895. That's 165 years of Catholic education provided to Lancaster children who receive a strong academic foundation and a firm base in Catholic teachings.

We do our best to keep Catholic education thriving in our community. To sustain it, we must keep our student numbers at a healthy level. We are offering tuition incentives this year, but we cannot continue to offer such discounts.

We ask your help. Contributions to our Annual Appeal will help us move confidently into the next 25 years. Our theme this year, "Family of Faith – Yesterday, Today, Tomorrow," honors our past, celebrates the present and, thanks to our contributors like you, makes tomorrow possible.

If you believe like we do that sustaining Catholic schools is vital to the future, we hope you will help us with a donation. Please complete the enclosed card and return it in the envelope provided.

Our school days begin and end with prayer. During those moments, we remember our benefactors, including those that have come before us and paved the way, and those who help secure our future..
