

Emergency School Closing or Early Dismissal Plan

Resurrection Families,

When I must close or delay Resurrection Catholic School, you will be notified in two ways.

1. **Call One Now** – This is the phone system I have been using this school year to reach you with important information. If you have not received any calls from me, contact the school office to give your current phone number.
2. **WGAL** – School delays or closings will appear on television, WGAL.COM and their mobil app.

In the event of an early dismissal, the After School Program will be open for **one hour** after the time of dismissal. I ask that you pick up your child as soon as possible for the safety of the children and school personnel.

Please discuss with your child what he/she is to do in case of an early dismissal. Send in the information below as soon as possible.

Thank you,
Miss Weaver
