

Dear Friend,

When I joined the Resurrection family as principal, I learned our theme for this year is **"Family of Faith - Kindness Changes Everything."**

Coming from the public education system, I'm inspired by the Catholic way of embracing and modeling, every day, the values and gifts that come from God. I've watched students blossom under our theme. Every morning, they tell me what it means to be kind to your friends, your teachers, family, community, the person standing next to you for a moment.

Many families want a Catholic education for their children, but affordability is a barrier. At Resurrection, we believe this should not stand in the way, so we appeal to you for help. Please consider joining our family as a 2019 benefactor. Your kindness will change a desire for Catholic education into a reality.

Help us reach as many children as possible by donating to the **Resurrection's Tuition Appeal**. Complete the enclosed card and return it to us as soon as possible.

We pray to God to bless you abundantly. Please also pray for us.

Jeffrey D. Hughes

Jeffrey Hughes
Principal

P.S. Please read the enclosed card titled "Win-Win" and consider helping us while receiving tax credit for your donation.
